

“We’re excited to welcome Darlene and her team to the DeskMakers family,” said Zack Lamb, Director of Sales for DeskMakers. “Their passion for client service and strong leadership in the industry, particularly in education, make them a perfect fit as we continue expanding our reach in the Mid-Atlantic.”

In addition to their regional presence, Akers is active across the contract furniture industry, maintaining a digital presence on LinkedIn, Facebook, and Instagram. They will also be attending NeoCon 2025 in Chicago and hosting a Bold Women Collective cocktail event on Sunday, June 8 at 5:30 PM, a gathering aimed at supporting and empowering women in the industry. **BoF**

LightCorp Earns Steelcase’s Premier Supplier Recognition for 2025 Fiscal Year

LightCorp, a manufacturer of task lighting and power products, proudly, has announced it has once again achieved Steelcase’s Premier Supplier Recognition status for their 2025 fiscal year. This prestigious honor highlights LightCorp’s ongoing commitment to excellence in quality, reliability, and sustainability, marking the fourth time the company has earned this distinction.

➔ Steelcase established the Premier Supplier program in 2013 to acknowledge suppliers who consistently demonstrate exceptional

AROUND THE INDUSTRY

performance and partnership. The recognition is awarded annually to a select group of top-performing suppliers who meet or exceed rigorous standards across multiple evaluation criteria.

“We are honored to receive this recognition from Steelcase,” said Marc Langeland, LightCorp President. “Our associates’ commitment to excellence and customer satisfaction is deeply rooted in our culture, and this award—one of several we’ve received—demonstrates that. It’s a clear example of why we hold firm to the idea that ‘where it’s made, matters’.”

This marks the third consecutive and fifth time overall that LightCorp has received this recognition, having previously earned the honor in 2015, 2019, 2023, and 2024. **BoF**

One Tool, DOUBLE the Power

Streamline Configuration and Quoting in a SINGLE Solution

Configure Products

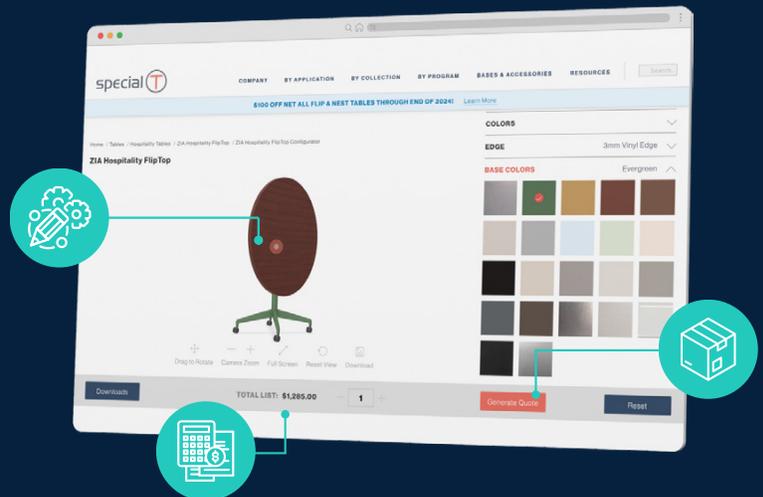

Photorealistic 3D models, unlimited product options, and instantly downloadable spec sheets.

Generate Accurate Quotes

Copy, edit, and share quotes with ease. Reduce pricing errors with API-driven accuracy and built-in freight calculator.

Outshine the Competition

Our personalized approach delivers solutions that help you grow sales and win more business.
