Minimum payments for Spiffs are \$10. If Spiff rewards total less than \$10, the Spiffs will be held and accrue until the minimum is reached. Spiffs must be entered within 90 days after the order ship date. Registrants must also complete and sign a W9 form to qualify. Registrants will be issued a 1099 form where applicable. Dealership account must be maintained and in good credit standing. Spiffs may not be split among multiple registrants. If multiple registrants submit the same claim, both claims will be denied. Payment via ACH transfer is strongly encouraged. A downloadable ACH enrollment form is available at www.lightcorp.com/spiff-rewards. Registrant assumes responsibility for keeping their contact info current on the website. Returned checks will not be re-issued. Registrant assumes the responsibility to gain permission from their employer to collect/receive Spiff payments. This schedule is effective through 12/31/22.
