CALIFORNIA RESIDENTS: The power cord used within this product may expose you to chemicals including Di(2-ethylhexyl) phthalate (DEHP), which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov.

MOUNTING

- Nik unit available in clamp mount or under mount
- The clamp mount applies to surfaces 0.75"–1.25" thick and does not extend beyond the back edge of the work surface
- Dual sets of mounting holes on power strip provide flexibility in application

ORDERING NOTES

- Each unit Includes two cord managers. Additional cord managers are available for purchase.
- AC outlets default to south orientation (ground pin down), or can be specified to be rotated north-facing (ground pin up), east-facing (ground pin on the right), or west-facing (ground pin on the left)
- Straight strain relief is standard. A 90° angle is also available. Please contact Inside Sales at 800.526.5658 to specify.
- AC outlets cannot be custom painted
- Not intended for interlinking. Plugging other power units or extension cords into the AC receptacles may violate your local electrical code.
- Tamper-resistant outlets available as an option on power strip

SUSTAINABILITY

- Made with fully-recyclable anodized aluminum, steel, and plastic
