### Ordering notes:

- The two-position rocker switch is positioned at the center of the fixture.
- Cord and power switch location on the 24" fixture is left of center.
- The starter power fixture is available with a 90° SW rotation fused plug only.
- The starter power and master control fixtures are supplied with a 9', 18-gauge power cord with a 90° SW rotation fused plug. Cord exits from the center of the fixture.
- Cords are not field-exchangeable.
- One horizontal cord manager is included with each fixture, two horizontal cord managers are included with each daisy chain fixture. Extra cord managers are available for purchase.
- When specifying metallic finishes, please note that the end caps will be a non-metallic accent color.
- Tazetta LED replacement tube cannot be used to retrofit existing Tazetta fixtures.
- When specifying a spring bar mount, the office furniture system must be identified. Please contact Inside Sales at 800.526.5658 to specify.
