

Most Modest™

A LIGHTCORP BRAND

Lookbook Vol. 2

Most Modest, a LightCorp brand, specializes in craft-inspired goods that help people thrive in the places they show up to work. We pull from a deep interest in behavior and a passion for making things that bring us closer to each other and our physical environments. Our products are crafted with pride in Grand Haven, Michigan.

PRINCIPAL DESIGNERS

JUSTIN CHAMPAIGN

Justin Champaign believes intelligent products should offer a deeper level of engagement and connection with the user, the object and their environment. As an industrial designer with a BFA in Furniture Design from California College of the arts, Justin has been a design leader in organizations such as Pablo Designs, Coalesse and Metro Furniture. In 2012, Justin established Most Modest to design and develop products that better support our lifestyles and the unique intersection between craft and technology.

JESSE HILL

Baltimore-based designer and Hill Studio founder, Jesse Hill, aims to develop products that bring beauty, joy, function, and betterment to the everyday. Hill earned his BFA in Industrial Design from the Cleveland Institute of Art and has collaborated with notable brands such as Herman Miller, Knoll, Humanscale, Nike, DeWalt, and Google. His process is focused on refining the form to its cleanest and inviting expression, constructed within constraints.
