pippa

personal lamp

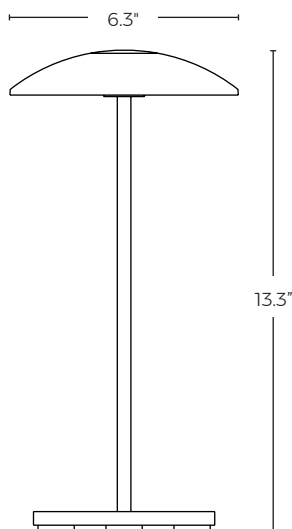

pippa

Further proving that everything is cuter in miniature, Pippa yields impressive illumination for such a petite footprint. Inspired by the design of our popular Ruth table lamp, Pippa echoes the same clean, modern lines but on a smaller scale while providing an extra layer of dimmable light for studying, reading, or relaxing. An auto shut-off feature after ten hours keeps her energy-friendly, too. Available in a palette of seven textural finishes.
