ORDERING NOTES

- To order, specify configuration, finish, outlet color (if applicable), cord, outlet rotation (if applicable), mounting, and options (if applicable)
- Each unit Includes two cord managers. Additional cord managers are available for purchase.
- If selecting hardwire option for Nik, please note that the backplate is available in black only
- AC outlets default to south orientation (ground pin down), or can be specified to be rotated north-facing (ground pin up), east-facing (ground pin on the right), or west-facing (ground pin on the left)
- Straight strain relief is standard. A 90° angle is also available. Please contact Inside Sales at 800.526.5658 to specify.
- AC outlets cannot be custom painted
- Not intended for interlinking. Plugging other power units or extension cords into the AC receptacles may violate your local electrical code.
- The clamp mount applies to surfaces 0.75"-1.25" thick and does not extend beyond the back edge of the work surface
- The in-surface mount is applicable to surfaces 0.75"-1.25" thick. For applications requiring a larger depth, please contact Inside Sales at 800.526.5658.
