ORDERING NOTES

- To order, specify fixture
- Each fixture includes one end cap to enclose the open end of the fixture, two mounting screws and two adhesive horizontal cord managers
- Mounting magnets and keyhole slots are integrated into the fixture for most mounting applications
- Maximum four modular segments connected per 18-watt power supply
- Individual adder does not include an end cap
- Individual adder units cannot be added to the 42" fixture
- White power supply and cord available upon request
- Do not interlink with any other fixture family
- Additional cord managers are available for purchase
