**ORDERING NOTES**

- To order, specify Nik configuration, finish, outlet color (if applicable), cord, outlet rotation (if applicable), and mounting, and power strip length, finish and cord color and options (if applicable)
- Each unit Includes two cord managers. Additional cord managers are available for purchase.
- AC outlets default to south orientation (ground pin down), or can be specified to be rotated north-facing (ground pin up), east-facing (ground pin on the right), or west-facing (ground pin on the left)
- Straight strain relief is standard. A 90° angle is also available. Please contact Inside Sales at 800.526.5658 to specify.
- AC outlets cannot be custom painted
- Not intended for interlinking. Plugging other power units or extension cords into the AC receptacles may violate your local electrical code.
- The clamp mount applies to surfaces 0.75"-1.25" thick and does not extend beyond the back edge of the work surface

 **CALIFORNIA RESIDENTS:** The power cord used within this product may expose you to chemicals including Di(2-ethylhexyl) phthalate (DEHP), which is known to the State of California to cause cancer and birth defects or other reproductive harm.
