Mack

Desk Light

Mack makes every workspace more comfortable and connected. Its smooth finger-slide dimmer puts perfect, energy-efficient lighting at your fingertips, while its flexible arm and head move easily into place and stays there. An integrated USB port keeps essentials powered up and within reach, supporting the rhythm of the workday.

Features:

- Gray finish
- Superior flexibility and articulation
- Touch-and-slide controlled 5-step dimming from 100%-25%
- USB-A charge port included in the base
- Made with fully-recyclable aluminum and plastic
- 1-year warranty, excluding power supply
