Tazetta LED

Under Shelf Light

Tazetta LED refreshes our classic under shelf light with a mercury-free, long-life, recyclable LED design. It delivers flicker-free, high-quality illumination with excellent color rendering and comes in three daisy-chainable lengths and neutral finishes for use beneath shelves and overhead storage.

Features:

- Improved power consumption
- Choose from three interlinkable lengths: 24", 36", and 48"
- Choose from eleven powder coat finish options
- High output option available
- Daisy chain up to ten fixtures
- High efficiency prismatic lens; batwing also available
- Made with fully-recyclable powder-coated steel and plastic
- Includes mounting keyholes for wood or laminate surfaces, and integrated magnets for metal application. Spring bar mounting also available.
- 5-year warranty
