

High-performance light in a clean, low-profile form

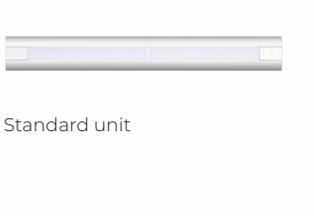

From technical labs to personal workstations, Reed Premier delivers bright, even illumination right where it's needed. Its daisy-chainable design, integrated dimming, and optional occupancy sensing make it easy to install, simple to use, and efficient to operate day after day.

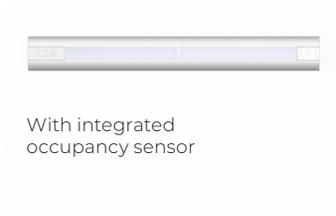

STATEMENT OF LINE

- Available in 17", 24", 31" 44" and 58"
- Standard or high output

Standard unit

With integrated occupancy sensor

FINISHES

Silver Black

FEATURES AT A GLANCE

Average rated life	> 50,000 hours
Color temperature	3500K
Color rendering index	92+
